Report #1

Something about NICARAGUA!

Nicaragua, is the biggest country in central america, with a population of five million people that live mainly in the pacific region, the atlantic region is mainly forests.

Nicaragua is a contry famous for its many active volcanos, some of them are Momotombo, Cosiguina, Cerro negro, Masaya.

We invite you to come and visit our beutiful country and get to know our culture and our peo-

Its has two big lakes called Managua and Nicaragua, and a lot of fertile land for the production of coffee, sugar and tabacco, the soil is also good for cows and crops.

Hello! OIC. My God is with you.

I am Cynthia Barrios, and I am tanks full with you, I love you in the love of Jesus , thank Mr Jorge, u are a big angel of God. In the university every-thing is very different from hi school, but I m study more and I know if I m study one day I can help my family. Thanks and bless.

I started my second year at university studying accounting and received my average grade from last year which I passed with 93% average. I was very happy because I knew God was helping me and it motivates me to do even better this year!! Having the blessing to be part of our Ebenezer Church and also being able to help in the English school and receive a financial support from OIC I feel even more committed to do my best and to serve the Lord!! Thanks for this opportunity to buy my books and school materials to do even better. God Bless you!

Hi group One In Christ, God bless you. I m Brenda, thanks for help me to catch, my dream (study for a nurse) . My first day in class is fantastic, I love Martin Lutero University, I cry of happiness in class because God is awesome with me. I am very happy with my lord , now mi life is differ-ent ,and I pray to God for he give me wisdom and little more of intelli-gent in my heard ,because I need in my studies.

Bye love sincerely . Brenda

Hi OIC, I know our God, is bless you. Thank you for the oppotunity that you give me in my education. OK , I am zenayra im 19 years old, I m studied at university of Managua, my carrier is accounting public, I like my university, I started class in Junary the first month is excellent, now March and April is very hard but I know God are with me. Respect to who is zenayra at Ebenezer Church, I m a teacher in Sunday school and I m helped in meal program.

Bye and thanks one more time.
